

IN THE BLINK OF AN EYE

Music: Norman Cohen Falah

English: Mordechai Fntz and Norman Cohen Falah

Hebrew: Numbers 12:13

Whenever you're facing illness
Whenever you're feeling down
Whenever you're caught in trouble
Need to turn your life around.

Look up to the sky
Look at yourself inside
Just sense and feel the "Shechinah"
And the answer will come
In the blink of an eye.

Whenever you're feeling lonely
And sorrow invades your mind
Whenever you're asking, "Why me?"
And the answer is hard to find.

Close your eyes
And open up your heart
To sense and feel the "Shechinah"
And the answer will come
In the blink of an eye.

**In the blink of an eye, God will reach you
In the blink of an eye, God will meet you
In the blink of an eye
God's presence will be your guide.**

**In the blink of an eye, God will heal you
In the blink of an eye, God will free you
In the blink of an eye
God's blessing will change your life.**

Whenever you're feeling weary
Whenever you've lost the light
Whenever you are about to
Abandon this tiring fight.

Close your eyes
And open up your heart
To sense and feel the 'Shechinah'
And the answer will come
In the blink of an eye.

**In the blink of an eye, God will reach you
In the blink of an eye, God will meet you
In the blink of an eye
God's presence will be your guide.**

**In the blink of an eye, God will heal you
In the blink of an eye, God will free you
In the blink of an eye
God's blessing will change your life.**

El na r'fa na la la
R'fa na la la
R'fa na la lanu
Please heal these souls.

El na r'fa na la la
R'fa na la la
R'fa na la lanu

Whenever you're facing illness
Whenever you're feeling down
Whenever you're caught in trouble
Need to turn your life around.
Then the answer will come
In the blink of an eye.
