

LET US LIVE BY THESE BELIEFS

Music: Norman Cohen Falah and Marcelo Barski

Hebrew: Pirkei Avot

If you wanna be happy
And succeed in your life
Be content with your share
And devoted in prayer.

Show faith when there's doubt,
Share love when hate is all about.
Spread shalom openly
And shower blessings on everyone you see.

**Let us live by these beliefs,
Let us live by these beliefs,
'Cause if you live by these beliefs
You'll feel God's blessing within.**

If you wanna be happy
And succeed in your life
Stretch your hand to your friends
When they ask you for help.

Be the spark that brings light,
Step up, and just make things right.
Fix the world through your deeds
And strive for justice, that is all you need.

Let us live by these beliefs...

Al shlosa, shlosa d'varim
ha'olam omed. x2
Al hatorah v'al havodah
v'al gemilut chasadim. x2

Ani sameach, ani muchan.
Ani yodea she-zeh hazman.
Ani boteach, ani margish.
She-ata shome'a t'filat libi.

And if you just follow these things
You'll find God's presence within.

Translation

*Upon three things the world stands:
On Torah, on service (prayer), and on loving
kindness.*

*I am happy, I am ready
And I know this is the time (to do it).
I trust, I (truly) feel
That you hear the prayer of my heart.*
